ADVANCED LEVEL	
NRGGUIDE RED Advanced Level 1 day	NRGGUIDE ORANGE Advanced Level 1 day
The participants learn the complete understanding of the NRGGUIDE RED Program by learning to implement all the progression steps of the Bronze, Silver and Gold course to determine which course a child has to attend according to the requirements of the NRGGUIDE RED Program.	The participants learn the complete understanding of the NRGGUIDE ORANGE Program by learning to implement all the progression steps of the Bronze, Silver and Gold course to determine which course a child has to attend according to the requirements of the NRGGUIDE ORANGE Program.

EXPERT LEVEL
NRGGUIDE PROGRAM Expert Level 2 days
The participants learn based on the understanding and completion of the Advanced Level to organize a complete program implementing the principles of the NRGCONCEPT . The participants learn the basics of team leadership and are introduced to "The Qualities of a Teamplayer" by John C. Maxwell. With the understanding of that part of the training, the participants can build a team to run a large program. The participants learn the psychological development stages of children. They have to make a presentation to learn and work on their appearance and presence.
